User Experience Improvements

The screenshot displays the Riger software interface. At the top, a window titled "Bill of Lading BL-0201 from 1/1/2016 12:00:00 PM" is open. Below it, a "Price List 000000002 from 1/1/2015 12:00:00 PM" window is active, showing a list of items. The "Bobcat S630 (Item)" is selected, and its details are shown in a form. The form includes fields for Name, Parent, Type, Base UoM, and Weight. The "Name" field is highlighted with a yellow border. Below the form, there are tabs for "Accounting", "Service and Parts", "Additional Fee", "Prices", and "Serial Numbers". The "Accounting" tab is selected, showing an "Account" field with the value "150".
